The CAMA Office Depot® Member Benefits Program, previously Office Depot Business Solutions Division, has been rebranded to ODP Business Solutions™. We are a B2B-focused company serving small, medium, and enterprise-level companies like yours.

Work has changed, and this exciting evolution allows ODP Business Solutions™ to be more agile and innovative in driving value to your business. You need more than just a supplier in your corner. You deserve a collaborator with the power to deliver on significant initiatives, plus the focus to notice the smallest details.

How to maximize your ODP Business Solutions member benefits:

After joining CAMA, you can register for an account online. To continue receiving member discounts, you must re-enroll or register for an account through our dedicated ODP site.

HUGE SAVINGS

Using your registered account and ordering online is the best way to maximize your full member discounts. You'll receive up to 75% savings on the Best Value List of preferred products with free next-business-day delivery* or in-store and curbside pickup.**

Print and Copy Services

You can also place print services orders online and have them delivered where and when you need them. Or available for pickup at an Office Depot® or Office Max® Store.

Options for Office Depot® Office Max® in-store purchase

The new Store Discount Program is replacing the current Store Purchasing Card Program. If you are currently using a Store Purchasing Card (SPC), you can still use it temporarily to access the new Store Discount Program, but it will be discontinued in approximately 13 months. You can register online for the Store Discount Program when you register for your account via our dedicated ODP site.

You must download the business mobile app to access the digital QR Code to present at check-out in an Office Depot® or OfficeMax® store. If you already have the Office Depot Business mobile app, it will soon be rebranded ODP Business Solutions™. Once you've registered online for the Store Discount Program, you can access the digital QR Code in the app.

The Store Discount Program will now offer a standard discount on certain product categories when you identify as a program member; however, the SPC will no longer provide access to all your member discounts. We recommend placing your orders online to continue getting your full member contract pricing.
